II. DISCUSSION

- What are some similarities and differences between universities in Poland and the US?
- Do you think your education in Poland would be better or worse if you had tuition?
- What are some things you'd like to change at your university?
- Describe your current course load.
- If you could have an education in another country, where would you like to go?
- Do you think that Polish education is too overwhelming and difficult? Too easy?
- Look at the cartoons on this page. What are they making fun of?

III. CLASS WORK

You will be given a copy of an actual university application. As a class, we will go through the application together and fill it out accordingly. Please ask any questions at any time. Remember, you will be tested on this material at a later date, so it's important that you understand the material.

APPLICATION FORM VOCABULARY
